School of Law Classes

January 19, 2024

Greetings Brethren, we have been blessed to see another year and it is with great pleasure to share exciting news about our initiative that is poised to elevate our Masonic experience and deepen our commitment to personal and collective growth. It is our hope to strengthen and enhance masonic knowledge throughout our Jurisdiction. In our continuous pursuit of excellence and preservation of our traditions, we have crafted a comprehensive Masonic School of Law Training Program designed to enrich the knowledge, skills, and understanding of our members.

In order for our members to receive the full benefits of the instructions it is imperative that all principal Lodge officers participate in these instructional classes. As we embark on this journey together, we invite each member to actively participate and contribute to the success of the School of Law Masonic Training Program. Your insight, dedication, and commitment will undoubtedly play a crucial role in ensuring the program's success and its positive impact on our membership.
