Thank you for your participation, and we look forward to showcasing the ritualistic excellence of your lodge at the 2024 Ritualistic Competition.

Time and Place

The time and location for the ritualistic competition will be determined based on participation. Should a high number of entries be received, District-level competitions will precede the finals, which will be held during Grand Session. However, with limited entries, the competition will directly proceed to the final round during Grand Session. This approach highlights the importance of lodges promptly returning their submissions to facilitate planning and ensure a well-organized event, accommodating all participants and making the competition one of the many highlights of our Masonic activities at this year's Annual Communication

Take due notice and govern yourselves accordingly.

Fraternally,

William "Bill" Robinson
